5555 Brooks Street, Montclair, CA 91763 | PH: 909-230-6200

Since 1972, when Greg Brewster became a pioneer in the production of freeze-dried probiotic cultures, Brewster Probiotics has been a front runner in the probiotics industry. The years of experience and research in probiotics make Brewster Probiotics a trusted brand and have resulted in making Brewster Probiotics one of the most stable probiotics in the industry.

Choosing Brewster Probiotics means choosing extensive product knowledge.
